DR. HARSH RAMKRISHNA
FOUNDER & CEO

Welcome Message

Dear Students and Parents,

Choosing to study abroad is a life-defining decision. At Grad Pathways, our mission is to turn that transition into a **seamless, transparent, and successful experience** for every Indian student.

We specialize in opening doors to quality education across **Russia, Kyrgyzstan, China, and Europe**. Whether it's selecting the right university or navigating the complexities of visas and travel, we provide end-to-end support built on a foundation of honesty and professionalism.

To our students and parents: we aren't just an agency—we are your partners. We prioritize your safety, your budget, and your long-term career goals above all else. We don't just process applications; we build pathways to global success. Thank you for trusting us with your future.

Warm regards,

Dr. Harsh ramkrishna

► Our Vision

Our vision is to become a trusted global education partner for students and families across India, recognized for integrity, results, and long-term support. We aspire to build a strong network of reputed universities and institutions across multiple countries, creating wider academic opportunities for Indian students. Beyond admissions, we envision Grad Pathways as a lifelong career and education partner that supports students in building successful global futures. By combining traditional trust with forward-thinking solutions, we aim to set new standards in the study abroad consultancy space and become the first choice for students seeking quality international education and career growth.

► Our Mission

At Grad Pathways, our mission is to simplify overseas education for Indian students by making the journey clear, affordable, and stress-free. We provide honest guidance, personalized counselling, and complete support from university selection to visa and travel assistance, helping students and parents make confident decisions for a successful global future.
